## 6. Reasons for appealing

**What you disagree with** I can't use a computer for long periods of time

**Why you disagree with it** Since my stroke I have had trouble focussing. Using a computer gives me headaches and i need to take regular breaks and my consultant told me i should not use one. I cannot do a job which needs me to use a computer.

---

**What you disagree with** That i am able to cope with social situations

**Why you disagree with it** I have trouble remembering people's names. I get very anxious before social situations. I try to avoid them because i don't want to offend people by forgetting their name.

---

**Anything else you want to tell the tribunal** I told the assessor about my condition but he did not listen to me.

---
